Database	MySQL, MongoDB
Tools	Git, GitHub, VS Code

PROJECTS

Alumni Mentorship Platform

React.js, HTML, CSS, JavaScript

- Developed a platform connecting students with alumni for mentorship.
- Implemented student and alumni profiles, session requests, notifications, and referral features.
- Designed the interface with a focus on usability and user experience.

CivilHub

React Native, JavaScript

- Developed a mobile-based construction cost estimation interface.
- Implemented material selection, cost calculation, summaries, and cost distribution visualization.

ICT Talkies

Educational Content

- Created an educational platform concept for HSC-level ICT students.
- Designed a modern visual identity and student-friendly interface.

UNIVERSITY ACTIVITIES & EXPERIENCE

- Participated in activities and events organized by university clubs, including the Computer Club, English Language Club, App Forum, and Sports Club.
- Gained practical teamwork, communication, and event-participation experience through university club activities.
- Attended corporate and professional events organized through different university clubs to gain exposure to industry practices.

WORKSHOPS & SEMINARS

- Participated in workshops, seminars, and webinars organized by different UIU clubs and student organizations.
- Attended public speaking seminars organized by the English Language Club.
- Participated in technology-focused webinars, including a blockchain webinar arranged through data science-related activities.

SOFT SKILLS

- Communication:** Comfortable communicating in both Bangla and English.
- Teamwork:** Experienced in collaborative university projects and group activities.
- Problem Solving:** Applies programming knowledge to analyze and solve technical problems.
- Adaptability:** Willing to learn new technologies and work in different team environments.

LANGUAGES

Bangla: Native **English:** Professional Working Proficiency
